Note: All applicants not updating within the most recent 12 months have been sent a request to do so the date of 4/22/08; except those currently living in HUD rental units, who must update their family report annually. Once applicants update, they can be reinstated to the numbered list. If an applicant on the priority list declines a unit, they go to the bottom of the priority list, on the condition that their update is within 12 months from the date of the decline. Note: *Update letters sent out June, August, December 2009 and April 15, 2010 with self-addressed envelope.*
